CHARLES ATLAS, World's No. 1 Body Builder, says:

Don't Be Half A Man!

Let ME SHOW How I Can Make You a Real HE-MAN From Head to Toe — in Just 15 Minutes a Day!

Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a real HE-MAN! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach... shy of girls... afraid of healthy competition.

Charles Atlas

WIN THIS VALUABLE TROPHY Be the envy of your friends!

HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn you, too, into a marvellous physical specimen... a real HE-MAN from head to toe... a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams... turn your fists into sledge-hammers... build mighty legs that never tire! Mail coupon today for my famous book showing how "Dynamic-Tension" can give you a Body by Atlas. Charles Atlas, Dept. 606 115 E. 23 St., New York, N. Y. 10010.

FANCIFUL FACT AND FRUMIOUS FABLES FOR FRIEND AND FOE ALIKE!

ITEM! Notice anything different about this month's Bullpen Page, observant one? You know it: there's no color-splashed box headed by the wondrous words, "STAN LEE'S SOAPBOX!" But fear not—Our Leader hasn't forsaken us as a result of that Carnegie Hall debut we gushed about last month. Partly, there's no Soapbox because Stan has his first winged way southward for his first real vacation in many a moon—and it's kinda hard to plug an electric typewriter into the sand-castles at Miami Beach! More than that, though: he's already hard at work (mentally, at least) preparing a prodigious pronouncement which will stun your bedazzled senses next month! Sorry—we can't tell you what it's all about just now; but we hereby promise and proclaim that our very next Bullpen Bulletin will herald a brand-new era for Marvel—one that looks to be even greater, groovier, and more gargantuan than the one just past! And you'll be in on the ground floor if you tune in next month—same time, same place! Don't let us down, hear? We're nothing without you, pilgrim—and we mean that!

ITEM! Meanwhile, just to prove to you that mighty Marvel's not exactly standing still for the next few weeks: by now, you've doubtless already noticed the spectacular illo elsewhere on this selfsame page and been wondering what's the buzz, right? So here's where we end the suspense. The current ish of MARVEL SPOTLIGHT debuts a far-out new feature which we think you're gonna dig. It's called GHOST RIDER—but, as anybody with 20-20 vision can plainly see, he's no blood relation to the western hero we sprung on you some time back. Nope—this GR is a mad, mod, mystic hero who straddles both the world of motorcycles—and the supernatural! (And that's some job of straddling!) It's by the titanic team of Groovy GARY FRIEDRICH, who dreamed the whole thing up, and Mad-cap MIKE PLOOG, whose own "Werewolf By Night" series is scheduled to gain its very own mag in a month or two! Oh yes, and for those of you who've been writing in to comment on the uncanny resemblance between Mike's artwork and that of the great WILL EISNER, creator of the Spirit during the 1940's—it's no news either to us or to Mike, people, 'cause Mike was indeed Mr. E's artistic assistant for a couple of years, just prior to his joining our beleaguered little crew! But thanks for noticing!

ITEM: Two of Marvel's own boy prodigies, Merry GERRY CONWAY and Sturdy STEVE ENGLEHART, recently hopped a fast 727 and flew out to address Indiana University's fully-accredited course on comic, which will soon be offered thru international correspondence as well. They held forth for three hours, followed by a lengthy rap session—and even turned up on the local TV channel to spread the word to acolyte and infidel alike! With Steve a native Hoosier, the

whole thing was virtually a triumphal homecoming—except that, because of the hectic schedule, he never got around to visiting the ol' homestead!

ITEM! How about this tidbit: The much-lionized Mr. Lee did his own lecture circuiting a couple of months back at the prestigious University of Puget Sound (that's in the snow-capped state of Washington, natch). A few of the flame-keepers took Stan to the city's well-known, well-stocked zoo, where he got his first close-up look at a certain breed of awesome anthropoid. And, if you've guessed by now that that's how Smiley dreamed up the free-swingin' Gibbon, who's given Spidey such a hassle these past two issues—go to the head of the class, perspicacious one! (That's just an aside for those of you who keep writing in to ask us where we get all our nutty ideas! Where we can, pal—where we can!)

ITEM! Oh yeah, and we just had to mention that this month's Checklist heralds a couple of real collectors'-item issues now on the stands—fabulous premier issues of both THE DEFENDERS and WARLOCK in their own mags! And what about this little bombshell to close with: in a month or two, the tempest-tossed team of THOMAS ANDRIU and SEVERIN will be joining forces to bring you the adventures of one of the first and foremost super-stars of all—none other than the one and only DOC SAVAGE, MAN OF BRONZE! Marvel is really movin' out, effendi—so grab your ticket and welcome aboard! 'Nuff said!

a COMPLETE WARGAME plus a magazine for ONLY \$3.00

In issue No. 26 of *Strategy & Tactics* magazine, there is a complete game on ground combat in Vietnam. This game, called *GRUNT*, consists of a 22 by 28 inch mapsheet, game rules and 255 half-inch die-cut playing pieces representing U.S. and Viet Cong infantry units, Vietnamese civilians, South Vietnamese soldiers, food, equipment and weapons caches and so on. The issue of *Strategy & Tactics* magazine containing *GRUNT* also carried an article on the use of the Airmobile Division in Vietnam, written by a veteran of the 1st Cavalry Division (Airmobile). He also designed *GRUNT*. The issue also contained articles on the history of the Waffen SS (World War II German elite troops), and the naval war in the Mediterranean. Plus our regular features: book and game reviews plus game-related articles. Every issue of *S&T* contains a complete, ready-to-play game, plus a magazine with historical articles and other regular features. *S&T* is published six times a year. WHOA, SLOW DOWN A MINUTE.

MAYBE YOU'D BETTER TAKE A GLANCE AT THIS, FELLA.

THE KIND OF TROUBLE YOU'RE IN, MISTER--

THE SPIDER'S WEB

SEND YOUR LETTERS TO:

THE MARVEL COMICS GROUP, SECOND FLOOR 625 MADISON AV., NEW YORK, N. Y. 10022

Dear Bullpen,

Stan, Stan, Stan, your inconsistency is totally confounding. After anxiously awaiting your much-heralded return to the typewriter as scripter of FANTASTIC FOUR, I was rewarded with what may be the dumbest comic I've ever come across, FF#120 (that's another letter). But now I'm forced to write that one off to rustiness, because you have come back with one of the greatest Spider sagas on record, in SPIDER MAN #105 and 106 and particularly #107. The title page called it long on action. But it had plenty of suspense, too, by employment of a minimum (the right amount) of Lee-style plot-hopping. The Flash Thompson development seems promising, and I, along with all of Marveldom Assembled, am eagerly looking forward to what's coming up! 'Nuff Said.

Steven Katz, 549 E. 27th St.
Paterson, NJ

As you've probably noticed by now, after an almost continuous ten-year tenure at the helm of SPIDER-MAN, Smiling Stan Lee sadly passes on the reins of Marvel's most famous character. There to receive the new charge is humble (yet honored) Johnny Romita, long the hailed artist of the old web-slinger, aided by the young and extremely talented scripter, Gerry Conway. John and Gerry have picked up the ball admirably well this issue (as we're sure you all agree by now) and promise to do even better in the days ahead.

Every passing has its bit of sadness, but Stan himself has long held that you readers come first, and Stan will always be behind the scenes making sure Spidey remains numero uno!

Dear Stan, Johnny, and Artie,
SPIDER-MAN #107 was really great. At last you've given SPIDER-MAN that old pizzazz that we've been missing since issue #103.

The script of SPIDER-MAN #107 was fantastic! What a way to end it! And I'm sure that all of Marveldom is glad to have Jazzy Johnny back as penciller for Spidey. Keep up the good work.

As for the Gwen Stacy situation, I hope you guys don't do something dumb, like kill her or have her break up with Peter. Also, try and keep the wedding postponed. I've noticed that a comic book loses something when the hero gets married.

Well, that's all for now. And thanks for giving us something to look forward to each month.

Jack Brandwein, 322 Park Hill Avenue
Yonkers, NY 10705

And there's MORE coming. Jack -- believe us. Cued by the Master, Stan himself, Gerry and John are beginning to take off into brand new story-fields. Marvel Marches On!

Dear Stan,

I would like to compliment you on a story well done. You can sure tell that Stan is back at work. I just love those plots and sub-plots that have become a Spidey trademark over the years. It was good to see the professor as evil as ever. For the first time in a couple of years I can hardly wait to put my grubby hands on the

next issue. Whatever happens to Flash I hope you don't put him away for good, because he's been a great supporting character over the years. But knowing Stan I think he has a little pride in Flash, since he was around in the beginning of SPIDER-MAN.

What I really think SPIDER-MAN needs is a mystery villain. Not one that lasts for a month or two but one whose identity is unknown for years. I remember when the Green Goblin was around and his identity was a mystery. The biggest thing on the block for that month was if Spidey found out who the Goblin was. Just give it a little thought.

By the way, I really enjoyed your talk at the University of Puget Sound a couple of months back. Stan, I didn't think anyone cared about us up here in Washington. Thanks for coming because it was a real pleasure listening to you. Keep Marvel on top.

Mark Wilson, 10114 -- 89th Ave. S.W.
Tacoma, Wash. 98498

It was just as much a thrill for Stan to meet all of you at UPS, Mark. And as we mentioned in this month's Bullpen Page, Stan gained the added inspiration on his westward swing for Spidey's villain, The Goblin.

We've passed your 'mystery-villain' suggestion to John Romita and Gerry Conway for their collective minds to chomp on for a bit. We're as interested as you in what turns out from their fertile imaginations.

Dear Stan And Co.,

Recently, I was looking through some Spidey comics and I noticed a name that I frequently popped up in the background. In ish #98 on the splash page, under the Goblin, on the side of the building, are the letters BACK BY MOR, and the rest is hidden by exhaust. In ish #99, also on the splash page, in the lower right-hand corner, are the letters BAC MO--LARO. Then, on page 19 of the same issue, in the last block of the page, are the letters BAC--GROU--S BY MO--T. Also, in CAPTAIN AMERICA AND THE FALCON #138, again on the splash page, right below the Falcon's right elbow, are the letters BAC BY MORTEL. All these letters add up to BACK GROUND BY MORTELLARO! I'm no Sherlock Holmes, but what gives?

Stan Luksenburg, 807 Lambertson Drive
Silver Spring, MD 20902

A special No-Prize to you, Stan Luksenburg! You are the very first person to have pieced together all the various clues a particular Marvel staff worker has been throwing your collective way.

Whenever John Romita gets into a bind on inking deadlines on Spidey or Cap or whatever strip he's lending his genius to, he hands the background-inking work across the bullpen room to... Tony Mortellaro. Tony (incidentally, the fellow who handles the production work on these letters pages, among his other tasks) likes to sneak his name (or parts thereof) as an added intrigue for hawk-eyed readers.
